

## Your Response is Required to Continue Coverage

Dear Washington Health Member:

Washington Health (WH) received notice of your separation or divorce. We scheduled the separation of your family account into two accounts. We sent your spouse an identical packet.

**To remain enrolled with WH,** you must complete, sign, and return the enclosed *Application,* along with proof of your current home address **within 60 days.** If you moved to a different area and WH coverage is not available in your new area, we will notify you.

## **Coverage for Dependents**

On the application, list all dependents that you are requesting WH coverage for on your account. The application must be signed by you and any dependents age 18 and over requesting WH coverage. To remove a dependent's WH coverage from the original family account, return the enclosed *Mutual Consent Form* signed by both parents.

## **Previous Payments**

Any payments received on the joint account before the accounts were separated will remain on the original account unless both parties notify WH to move all or part of the money to the other account.

If you have any questions about WH, chat online with a WH representative at **www.washingtonhealth.hca.wa.gov** or call us at **1-800-660-9840**.

Sincerely,

Washington Health

**Enclosures** 

## **Mutual Consent Form**

Washington Health (WH) is separating your family account into two accounts. Dependents can only receive coverage under one WH account. Both parents must complete, sign, and date this form to let us know which parent's account will provide coverage for the dependents.

Return this form with the WH *Application* using the enclosed return envelope or mail to: **Washington Health Program, PO Box 42714, Olympia, WA 98504-2714.** 

We agree to cover the following dependents under each parent's account, as indicated:

Account Information:	Dependent(s) to be covered on this account:
WH ID#	
Parent's printed name	
Parent's Signature and date	
Account Information:	Dependent(s) to be covered on this account:
Account Information:	
Account Information:  WH ID#
